EVENT OBJECTIVES

- Launched in 2008 with support from Ministry of Food Processing Industries (MoFPI)
- India's largest food B2B intelligence event hosting the end-to-end of food business enablement — from food sourcing advances, retail tech innovation trends to grocery retailing and food service best practices — through a mega 2-day conference, zoned exhibitions, partner networking and tailored B2B meetings
- Exhibiting the latest in food manufacturing & marketing, technology, hospitality and foodservice innovations, retail support and retail location solutions to all attendees
- Enabling business development for participants through networking sessions with prospective channel partners/ customers/ investors/ knowledge leaders
- Recognizing excellence in food & grocery retailing and food service in India through the Golden Spoon Awards and IMAGES Food Service Awards

CHAIRPERSONS

Damodar Mall

*Chairman, India Food Forum - Retail |
CEO - Grocery, Reliance Retail*

I believe that the best time to build a consumer business in India is now! And India Food Forum 2023 will be a 360-degree consumption sector opportunity that you wouldn't want to miss!

Anurag Katriar

*Chairman, India Food Forum - HoReCa |
Founder & MD, Indigo Hospitality*

We are uniting Indian and global food service brand operators, professionals, and organizations, offering opportunities to learn, share wisdom, and strengthen relationships. Let's make it all meaningful!
